Hi Mark,

Please see very basic lines provided by OPS. Spoke this evening and we are circling back at 0830 to obtain more solid plan and copy of same.

OPS lines:

- We are planning with a 7 day outlook at this time.

- We are asking for front line policing assistance, in addition to any POU request that may come your way.
- We have the majority of the static traffic posts covered by OPP and RCMP, locking down the inner perimeter of trucks.
- Our intended operations have consisted of Quick response Units assisting the Static posts.
- Operations are likely to progress along the lines of strategic police interventions with the crowd by a surge of QRT teams.

End.

Regards,

Mike
